Riverslea Reviver

Riverslea Reviver is a mid-winter mini festival – a chance to spend a restful, musical weekend at the Riverslea sanctuary - a quiet lodge on the beautiful Otaki Gorge Road. It starts from 5pm Friday 15 August and runs until Sunday after lunch (usually leftovers from dinner the night before).

The programme is flexible – it depends on the participants. Friday night usually takes the form of a singaround and jam. Saturday is free for musical practices, jams or walks in the delightful bush and river country around the lodge. On Saturday night we will have a shared meal (it helps with cooking space if you prepare a dish in advance) – other meals are self catered. More music usually evolves after dinner on Saturday and can spill over to Sunday morning.

The lodge has bunkrooms to sleep 37, good kitchen and bathroom facilities, a lounge with cosy log fire and covered verandahs. Tea, coffee and milk are provided. It is suitable for people with disabilities and mobility problems.

Fees are \$40 for one night or \$70 for two. Day visitors cost \$25 per day or part day. Unfortunately there is no reduction for children as we are charged full rate.

Bookings are essential - for more information please contact Ruth Birnie at ruth.birnie@xtra.co.nz or 04 565 3432.
