

The new membership year starts as of July. A single membership costs only \$25, with a discount of \$10 for students and beneficiaries. Family memberships are available for \$40.

Club members (cardholders) continue to get discounted rates on door-charges to concerts and most events. Alistair's Music in Cuba St. also offers members a 10% discount on strings and tuners.

You must have your membership paid up by the August AGM to be able to formally participate and nominate and vote for the election of the Committee.

To join our club, download the pdf form below and follow the instructions for payment.
